VALUE - ADD ACTIVITIES

Tippie Tech
HawkTrade Investment
The Boys and Girls Club

In my available time I choose to invest in value- add clubs. This supports my desire to develop business skills where I will be more valuable to my future employer. In specific, I participate as a **Tippie Tech**, which is a student led organization that offers analytics-focused presentations, case competitions, career fairs, workshops and networking opportunities. I am also actively participating in **HawkTrade Investment Club** specifically focused stock market education. The club leverages group speakers and member led presentations as well as open-ended discussions. **The Boys and Girls Club** is also a group that I actively volunteer weekly to mentor underprivileged youth. **The Boys and Girls Club** has taught me the value of being a servant leader in my community and the value of contribution.

EXPERIENCE

Finance/Procurement Intern

Gulfstream Aerospace Corporation / Savannah, GA / MAY2022 – AUG2022

Communicated with suppliers to ensure timely deliveries of parts and prevent shortages. Managed accounts payable and receivable for returned and damaged parts. Utilized SAP and Mainframe CAS to create new Purchase Orders, change Purchase Order pricing, and view material information

Golf Department Supervisor

Hyperion Field Club / Johnston, IA / MAY2020 – AUG2021

Worked closely with the Assistant and Golf Professional on the outside golf operations and service to members. Developed relationships with members to best accommodate their individual needs. Helped organize and manage tournaments, events, and camps.

Banquet Server

Bliss Catering / Des Moines, IA / DEC2017 – DEC 2019

Greeted, assisted, served, and accommodated guests at special events and functions. Assisted with event preparation, set up and closing.
